(B) lunches are served to students.

(3) A public school in which at least ten percent (10%) of the teachers:

(A) hold a limited license to teach; or

(B) teach outside their licensed areas.

Sec. 3. The department may contract with a state educational institution to establish pilot programs targeting schools with characteristics set forth in section 2(b) of this chapter.

Sec. 4. In establishing pilot programs under this chapter, the department, in collaboration with a state educational institution located within the same county as a school described in section 2(b) of this chapter, shall focus on implementing programs that enable the local school corporations, appropriate community agencies, nonprofit entities, and colleges and universities to cooperate with each other.

Sec. 5. A pilot program established under this chapter shall include, but is not limited to, the following:

(1) Professional development for teachers.

(2) Curriculum development and oversight.

(3) Development of support systems that promote student learning and overall development.

(4) Community involvement.

(5) Significant matching funds from nonprofit entities or businesses.

(6) Parental participation.

Sec. 6. The department, in collaboration with a state educational institution:

(1) shall select certain school corporations to participate in pilot programs established under this chapter; and

(2) may not select under subdivision (1) a school corporation that, on June 30, 2009, is already participating in a pilot program as described in section 5 of this chapter.

Sec. 7. A school corporation selected or seeking to be selected to participate in a pilot program under this chapter may enter into an agreement with a nonprofit entity, college, or university to provide services to the school corporation in connection with the pilot program.

Sec. 8. The department, in collaboration with a state educational institution, shall develop guidelines necessary to implement this chapter.

Sec. 9. Each school corporation that participates in a pilot program under this chapter shall prepare a written report

1 detailing all of the pertinent information concerning the
2 implementation of the pilot program, including any:

3 (1) recommendations made as a result of; and

4 (2) conclusions drawn from;

5 the pilot program. The school corporation shall submit the report
6 to the department.

7 Sec. 10. (a) The Comer school development program fund is
8 established to provide grants to enable participating school
9 corporations to establish and operate pilot programs under this
10 chapter.

11 (b) The fund consists of the following:

12 (1) Gifts to the fund.

13 (2) Appropriations from the general assembly.

14 (3) Grants, including grants from private entities.

15 (4) Any combination of the resources described in
16 subdivisions (1), (2), and (3).

17 (c) The department shall administer the fund.

18 (d) The expenses of administering the fund shall be paid from
19 money in the fund.

20 (e) The treasurer of state shall invest the money in the fund not
21 currently needed to meet the obligations of the fund in the same
22 manner as other public funds may be invested. The treasurer of
23 state shall deposit in the fund the interest that accrues from the
24 investment of the fund.

25 (f) Money in the fund at the end of a state fiscal year does not
26 revert to the state general fund.

27 Sec. 11. (a) To be eligible for a grant under this chapter:

28 (1) a school corporation; or

29 (2) two (2) or more school corporations acting under a joint
30 agreement;

31 must timely apply to the department for a grant on forms provided
32 by the department.

33 (b) An applying school corporation must include at least the
34 following information in the school corporation's application:

35 (1) A detailed description of the proposed pilot program
36 format.

37 (2) The extent to which the applying school corporation
38 intends to include appropriate community resources not
39 directly affiliated with the applying school corporation in the
40 pilot program.

41 (3) A statement of and any supporting information concerning
42 the need to establish the pilot program as perceived by the
